Brand New Book ***** Print on Demand *****.This is the story of a computer robot, programmed to perform human jobs at the Texas Science Center. In the earlier stages the robot walked from room to room in the hospital taking vital signs of patients transmitting the records to the central nurses station. Later while Dr. Goggin sat in his office on the seventh floor of the hospital, he had George, named after himself, perform general surgeries. There was a serious dichotomy in George s personality. Only a diabolical or demented being would take body parts from someone else and then repeatedly try to justify that he could make better use of the body parts than the beggars who had them. Though George had sworn not to use illegal drugs, yet when swine flu broke out, he used marijuana and poppy No. 2. Put these drugs in the water supply a feeling of exhilaration in the victims feel better and they get better. In the country of Dubai where there was no marijuana, George used poppy No. 2. When the plague broke out at the military...
