Human Kinetics Publishers, 1999. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: If your physical education curriculum or program suffers from Oh, that again syndrome, More Innovative Games will pep up your program! In this sequel to Brenda Lichtman's Innovative Games, you'll find 41 creative games to educate, stimulate, and invigorate middle and high school students. These games are simple to learn, easy to teach, and quick to incorporate! Beyond simply explaining the games, each section takes you through an organized and easy-to-follow format that includes several or all of the following key points:- Objective: What sport-related, health, or social skills are being developed? How can you best integrate the game into your existing program?- Equipment: What standard or atypical equipment is needed?- Playing Area: What type of facility is best suited for this activity? Can you use unique or underused spaces such as hallways to make the game seem new?- Participants: How many people do you need and what are their positions and roles? How many officials are needed and what are their positions and roles?- Game: How is the game played and what is the best way to explain it to your students? What are the rules and what safety concerns should you be aware of?- Helpful Hints: How can you make the game easier or more difficult depending on you students, and how do the rules change when the game is altered?- Violations: What is specifically against the rules and how do you handle these violations?- Safety Considerations: How do you prevent injury and ensure that every student follows general safety precautions?- Adaptations for Younger Participants: How can you adapt the game for upper elementary aged children and still provide a safe, effective learning experience?- Additional Rules: What new or additional rules can...
