Brand New Book ***** Print on Demand *****.Excerpt from About the Bible: Being a Collection of Extracts From Writings of Eminent Biblical Scholars and of Scientists of Europe and America, With Ten Photographs Two Maps, and a Page From the Polychrome Bible The compiler and his family are members of an evangelical Church. He has taught in its Sunday school a class of young men. On the first page of the King James Version of the Bible the date of the creation is given as 4004 B. C. When a young man goes to college he learns from such teachers as Professor Henry S. Williams, Ph.D., Professor of Geology at Yale University, that the strata of the earth we live on represent a duration of time of at least fifty million years. Forty years ago we were taught in the Sunday school that the date given on the first page of the Bible was correct; that the world was made in six days time, by God, 4004 years B. C. We believed it then without question, and when we came to know better we forgave our teachers, because they had believed what they taught. Our children to-day will resent what they are taught if it is not true, and they will be right in resenting it, because their teachers know, or ought to know, the truth. When even in the Church of Rome one of its most scholarly and Christian men, past threescore years and ten, comes out boldly and says, It is absolutely impossible for any reasonably well-educated man to join the Roman Catholic Church if he understands what her teaching about Scripture really is, it is too late for even the most...
