

The Secret Executioners: The Amazing True Story of the Death Squad Who Tracked Down and Killed Nazi War Criminals

By Danny Baz

John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The Secret Executioners: The Amazing True Story of the Death Squad Who Tracked Down and Killed Nazi War Criminals, Danny Baz, Infamous Nazi war criminal Dr Aribert Heim carried out grotesque, sadistic medical experiments on Jewish prisoners at the Mauthausen concentration camp, including the removal of human organs without anaesthetic, decapitating one murdered prisoner and using the skull as an exhibit, and even removing the tattooed flesh from another victim to make seat coverings for the camp commandant's private flat. Alerted of his imminent arrest in 1962, Heim disappeared. Alleged sightings followed over the following years in Egypt, Uruguay, Chile and Spain. Here, for the first time, is the dramatic true story of how a clandestine organisation operating outside of international law tracked down the 'Butcher of Mauthausen' and assassinated him. A secretive cell called 'The Owl' comprised of Vietnam War veterans and ex-secret agents, was created by a former concentration camp prisoner who later became a wealthy oil magnate and deciated an unlimited budget to eliminating Nazis who had fled justice after World War II.

Reviews

It in a single of the best pdf. it had been writtern quite properly and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Mr. Maximo Johns**

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.
