Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

(Imogene Bergstrom)

EL PINGUINO TAKY

Houghton Mifflin. Paperback. Book Condition: new. BRAND NEW, El Pinguino Taky, Helen Lester, Lynn M Munsinger, Tacky's an odd bird, or Penguin rather, who likes to do splashy cannonballs and greet his companions with a loud "What's happening?" In fact, he's something of an eccentric, which wouldn't be a problem if all the other penguins weren't such . . . conformists. In their usual zany style, Lester and Munsinger demonstrate the problems and advantages of being an individual. Now in Spanish, Tacky is perfect for children learning Spanish and for Spanish-speaking children.
