Simon & Schuster. 1 Cloth(s), 2015. hard. Book Condition: New. As well as a Tony-nominated playwright and an Oscar-nominated screenwriter, William Nicholson has written more than a dozen novels. Here he spins a tale of two love affairs set in Amherstone in the present, one in the past, and both charted by the poetry of Emily Dickinson. Alice Dickinson travels to modern-day Amherst to research her idea for a screenplay about the adulterous love affair between Mabel Loomis Todd and Austin Dickinson, Emily's brother, in the 1880s. But while staying at the home of Nick Crocker, a married academic in his 50s, Alice embarks on her own affair with him. Playful and scholarly, sexy and smart, Amherst reminds us that the games we play when we fall in love have not changed that much over the years. 289.
