FANTAGRAPHICS BOOKS, United States, 2008. Paperback. Book Condition: New. 234 x 190 mm. Language: English . Brand New Book. The Love Rockets library continues with this special volume. To a very great extent, Love Rockets is synonymous with Hoppers Maggie Hopey and Palomar s Luba Carmen Heraclio Tonantzin. but there was always more to LR than that. Amor y Cohetes finally collects together in one convenient package all the non-Maggie and non-Palomar stories by all three Hernandez Brothers from that classic first, 50-issue Love and Rockets series--a dizzying array of styles and approaches that re-confirms these groundbreaking cartoonists place in the history of comics. The book leads off with Gilbert s original 40-page sci-fi epic BEM from 1981 s very first issue of Love Rockets, featuring a very different Luba and a much looser, Heavy Metal and Marvel Comics-inspired way of storytelling. Other stories include Jaime s charming Rocky and Fumble series starring a planet-hopping girl and her robot; stunning one-shots such as Gilbert s Frida Kahlo biography Frida and his shocking autobiographical fantasia My Love Book ; Mario s genre thrillers which take place Somewhere in California ; Gilbert s brutally dystopian Errata Stigmata stories; the playful Hernandez Satyricon, with Gilbert drawing Jaime s characters, and War Paint, with Jaime trying out Palomar; Gilbert s light-hearted Music for Monsters starring Bang and Inez; and even a fantastical non-continuity Maggie and Hopey story Easter Hunt by Jaime that didn t fit into the other books. Amor y Cohetes, the seventh (and concluding, for now) volume in the new Complete Love Rockets series of compact, affordable paperbacks, shows a very different side of Los Bros Hernandez.
