Anza Publishing, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In lively and witty prose, Albert Rhodes describes in *The French at Home* the allures and foibles of the Gallic race. Early in American history, before certain prejudices had set in, this diplomat living in France shows the varied facets of French life, in an age when traditional ideas still predominated. Using many charming examples, Rhodes addresses such subjects as chivalry, speech, epigrams, dress, food - all the things that make the French so distinctive. Rhodes had many opportunities to observe European life during a lengthy foreign residence in the consular and diplomatic service; and the results of his observations are presented here in a form that could be considered both brilliant and instructive. Rhodes not only conveys the ordinary activities he observed as a resident in France, but he also attempts to look deeply into the French character, into a nation's personality, to perceive what makes them better or worse than Americans. *The French at Home* is a long neglected book that brings to life the manners and customs of the French at a time when the codes of gallantry were still in force, and art and culture were held in high esteem. Americans have always made rather interesting appraisals of the French. On the one hand, the citizens of the New World have criticized their European counterparts for their social instability, their love of monarchy, their preoccupation with finery, their lack of interest in industrialism; yet at the same time, they have admired their elegance, traditions, art, music and great international influence. Rhodes was well aware of his young nation's uncertain, and at times unreasonable, assessments of this old European country, and his...
