

The Lone Ranger and Tonto Fistfight in Heaven

By Alexie, Sherman

Perennial, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In this darkly comic short story collection, Sherman Alexie, a Spokane/Coeur d'Alene Indian, brilliantly weaves memory, fantasy, and stark realism to paint a complex, grimly ironic portrait of life in and around the Spokane Indian Reservation. These twenty-two interlinked tales are narrated by characters raised on humiliation and government-issue cheese, and yet are filled with passion and affection, myth and dream. There is Victor, who as a nine-year-old crawled between his unconscious parents hoping that the alcohol seeping through their skins might help him sleep, Thomas Builds-the-Fire, who tells his stories long after people stop listening, and Jimmy Many Horses, dying of cancer, who writes letters on stationary that reads "From the Death Bed of Jimmy Many Horses III," even though he actually writes them on his kitchen table. Against a backdrop of alcohol, car accidents, laughter, and basketball, Alexie depicts the distances between Indians and whites, reservation Indians and urban Indians, men and women, and mostly poetically between modern Indians and the traditions of the past.

Reviews

These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.
