Pub Date :2012-05 Pages: 167 Publisher: Dalian University of Technology Press [Book Description China's economy in the rapid growth, rendering the geometrically development, mobile phones and cars from the past decade can be predicted that the yacht industry in the next decade will have The explosive development of enormous opportunities floating in the golden waterway. At present there have been a lot of development trend of the yacht harbor, but because of the past do not have much experience in the yacht harbor design, the reference design is the lack of, often yacht harbor in the finished only to find the problem. To eliminate safety hazards, so that the development of the yacht harbor has played a constructive role in the development of society, a good tool for the publication of the book is very necessary. Kwong Xiangrong Yacht Harbor (site planning design and development) tells the story of a more comprehensive knowledge of the design and development of the yacht harbor simple and popular text covers the source of the yacht harbor, the economic value of the community....
