McSweeney's Publishing. Hardback. Book Condition: new. BRAND NEW, In Case of Emergency, Courtney Moreno, What do you do when you can't function? After rookie EMT Piper Gallagher responds to a call outside a Los Angeles shopping mall for a man who can only tell her, "I can't function," the question begins to haunt her. How will Piper continue to function despite the horror she sees working in South Central, and despite her own fractured past? And how will the woman Piper loves continue to function as she experiences the aftershocks of her time spent serving in Iraq? Piper's experiences as a rookie break her down and open her up as her genuine urge to help patients confronts the daily realities of life in the back of an ambulance and a hospital's hallways. This vivid and visceral debut is a rich study in trauma--in its causes and effects, in its methods and disguises, in its power and its pull.
