Alexander Hamilton. This book is intended to give in form for ready reference the salient facts in regard to the finances of the United Kingdom. The earlier chapters tell the financial story of the critical period of the war from the fateful August 4, 1914 when war was declared, to the budget speech of Chancellor Chamberlain on April 19, 1920, which so ably dealt with the financial problems of the reconstruction period. The later chapters discuss the revenue, expenditure and debt prior to 1914 and England's methods of financing from the time of William the Conqueror. Present day financial methods are traced back to their origins in these early days. The activities of the Bank of England are so closely interwoven with the operations of the English Treasury that to apprehend clearly Great Britain's public finance one should have knowledge of the history, the functions and the operations of the Bank, therefore several chapters have been devoted to these matters. Almost without exception the statements of fact contained in this book, especially those having to do with its main purpose - public finance are - based upon a study of official documents. Where necessary to depend upon secondary sources care has been taken to refer only to those admittedly authoritative. We are hopeful that this book may contribute to a better understanding of Great Britain's present financial problems: and how they are being solved, and that it may prove to be a useful work of reference...
