The Principles of Elementary Algebra (Classic Reprint) (Paperback)

By N F Dupuis

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Principles of Elementary Algebra In the following pages I have endeavored to put into form what in my opinion should constitute an Intermediate Algebra, intermediate in the sense that it is not intended for absolute beginners, nor yet for the accomplished algebraist, but as a stepping-stone to assist the student in passing from the former stage to the latter. The work covers pretty well the whole range of elementary algebraic subjects, and in the treatment of these subjects fundamental principles and clear ideas are considered as of more importance than mere mechanical processes. The treatment, especially in the higher parts, is not exhaustive; but it hoped that the treatment is sufficiently full to enable the reader who has mastered the work as here presented, to take up with profit special treatises upon the various subjects. Much prominence is given to the formal laws of Algebra and to the subject of factoring, and the theory of the solution of the quadratic and other equations is deduced from the principles of factorization.
