But when her husband's thirst for high-priced sex leads them down an explosive path of passion, murder, and lies, she has to decide if her marriage is worth saving, and at what cost. Collyn Bazemore, a Manhattan madam, deals with an elite clientele, and they pay big for the best sex in the city. One of Collyn's most important customers, the mayor, has planned an erotic extravaganza in the Hamptons, but when he sends one of his associates to seal the deal, Collyn grows suspicious of this replacement-and yet her attraction to him is undeniable. While her mind tells her no, her body aches to say yes, and just when he melts her in all the right places, it turns out he has a few secrets of his own. These two women are bound together by an erotically charged past, and when their carefully crafted facades start to crumble, neither will ever be the same.
