It has been thorough and systematic, involving an examination of titles (often very complicated), as well as resources and their accessibility, foundation work for the investment of capital. Of course the great fundamental resources of coal and iron have absorbed the larger portion of our expenditure of time, labor and money. Confining this statement to such things as our work has made known to us at first hand, we will try and give you, in as few words as possible, a clear statement of what we have found about iron and coal. Permit us to say here that while we recognize the fact that the Southern Appalachian region by no means covers all the coal and iron resources of the Southern...
