Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The global economic downturn marked a critical crossroad for the sales profession. This event dramatically altered the consumer landscape and forever changed the sales model required to successfully navigate it. Today, consumers are more skeptical, price conscious, product savvy and pressure resistant than at any other time in history. They don t want to be cold called, up sold, or hard sold. They don t want to be trial closed, tie-down closed or Columbo closed. They don t want loss leaders, red herrings or high pressure. After all the difference between these two points constitutes the problem to which your product (or service) offering represents the solution. You ll also learn how to identify your prospect s engagement profile so that you ll understand what he or she needs to hear, see and know to support a favorable buying decision. In Part 2 you...
