

Advanced Bodyweight Exercises: An Intense Full Body Workout in a Home or Gym (Paperback)

Filesize: 3.53 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

ADVANCED BODYWEIGHT EXERCISES: AN INTENSE FULL BODY WORKOUT IN A HOME OR GYM (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Bodyweight exercise is probably the most under-appreciated tool out there for losing weight, building muscle, and staying healthy. Every day, millions of people waste time and money on expensive gym memberships and home workout equipment when there is an easier, more practical solution right under their noses. Don't get me wrong-I'm not saying that you can't get great results from working out at a gym, or from exercising on in-home workout equipment. If you can stick with that kind of program, and you've got the money, the time, and the room, you can do very well. I'm simply saying that for many people, these solutions are impractical, and they end up paying monthly for memberships at fitness centers they don't go to, or paying for weights and equipment that end up collecting dust in storage somewhere. Meanwhile, a tiny fraction of that same investment-if spent learning about bodyweight exercise-could give vastly better results. Many people think that bodyweight exercise is just not challenging enough to give you a good workout-they see it as more of a warm up than anything else. Well, there certainly are easy bodyweight exercises that can be used to warm up. There are also exercises, like muscle ups and one leg squats, that many weight-lifters and other athletes cannot even perform for a single repetition. Don't underestimate the value of this type of training program. Once you know what the more advanced bodyweight exercises can do for you, you'll have a workout routine that you can use conveniently for your entire life-whether you're at home or on the road, whether you've got two hours...
