Ana, child-free, is aiming to be senior columnist at the Morning Star, searching for Mr Right, and dealing with a mother who's rewriting her past. Does she really need to learn to Wiggledance as well? Both women believe they're free to shape their own destinies. That's until the mysterious tides of life and death come flooding in, changing everything. A funny, touching, bittersweet story about two friends struggling to reconcile their once-lofty expectations with the messy reality of their adult lives. book.
