Grammar Architect

By Chris Eaton

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Grammar Architect, Chris Eaton, With Chris Eatons latest work, the 'cover version' is no longer the exclusive property of the music world! In A Pair of Blue Eyes (1873), one of Thomas Hardys earliest works (and the first to be published under his own name), a man is hired to restore an old church tower and falls in love with a woman whose father will not allow it. She then becomes involved in a love triangle with the mans friend that eventually results in her death. But in Eatons version, the man is a novelist named Neil, an architect of words. The resulting book he compiles leads him to believe he has discovered the secrets of creation and transforms him into a monster. Meanwhile, the womans father -- a personified version of the tragedy that hangs over all Hardy novels -- develops a taste for destruction and decides to stick it to everyone. Soon, as copies of the book start turning up everywhere from the Australian outback to the wreck of the Titanic, the mans genius is suddenly called into question. It is then that Burke, a friend of Neil, decides to...
