

Mini Motocross and Pit Bike Performance Handbook

By Eric Gorr

Motorbooks International. Paperback. Book Condition: new. BRAND NEW, Mini Motocross and Pit Bike Performance Handbook, Eric Gorr, Whether it's geared up for racing, tricked out as a pit bike, used to teach kids how to ride, or simple to take a spin, the small motorbike takes as much care and maintenance as it's larger counterpart. This book, by one of the world's foremost off-road motorcycle builders, tells you everything you need to know to keep your mini-motocross or playbike running smoothly, safely, and in style. This comprehensive handbook covers a variety of models, from 50 cc racers to 250 cc playbikes, whilst a complete buying guide helps readers determine which of these small bikes best suits their needs. Providing clearly detailed information on maintenance schedules, procedures, plus the tools, materials, and space you need, as well as model-specific suggestions for modifying the bikes to improve performance on and off the racetrack, sample builds of some of the most popular race and play bikes on the market, this will be eagerly welcomed by any mini-bike rider and owner.

Reviews

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).
