Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The trading post is an old and influential institution. Established in the midst of an undeveloped society by a more advanced people, it is a center not only of new economic influences, but also of all the transforming forces that accompany the intercourse of a higher with a lower civilization. The Ph nicians developed the institution into a great historic agency. Closely associated with piracy at first, their commerce gradually freed itself from this and spread throughout the Mediterranean lands. A passage in the Odyssey (Book XV.) enables us to trace the genesis of the Ph nician trading post: Thither came the Ph nicians, mariners renowned, greedy merchant-men with countless trinkets in a black ship. They abode among us a whole year, and got together much wealth in their hollow ship. And when their hollow ship was now laden to depart, they sent a messenger. There came a man versed in craft to my father s house with a golden chain strung here and there with amber beads. Now, the maidens in the hall and my lady mother were handling the chain and gazing on it and offering him their price. It would appear that the traders at first sailed from port to port, bartering as they went. After a time they stayed at certain profitable places a twelvemonth, still trading from their ships. Then came the fixed factory, and about it grew the trading colony. The Ph nician trading post wove together the fabric of oriental civilization, brought arts and the alphabet to Greece, brought the elements of civilization to northern Africa, and disseminated eastern culture through the Mediterranean system of lands. It blended races and customs,...
