Bloomsbury Publishing PLC. Paperback / softback. Book Condition: new. BRAND NEW, The Paranoid's Pocket Guide to Mental Disorders You Can Just Feel Coming on, Dennis DiClaudio, Hot on the heels of the wildly successful "The Hypochondriac's Pocket Guide to Horrible Diseases You Probably Already Have" comes "The Paranoid's Pocket Guide to Mental Disorders You Can Just Feel Coming On, "Dennis DiClaudio's hilarious look at fifty disturbingly familiar maladies you just "know "are buried deep in your psyche. This inspired new collection profiles the most nerve-wracking, harebrained, loopy, life-threatening and totally out-there mental disorders you could imagine--and some you could "never "imagine. With complete descriptions of the symptoms, diagnosis, prognosis, prevention, and treatment for psychosis, this book could convince even the most rational readers that something--or someone--is out to get them. From the slightly odd Stendhal Syndrome (the fear of artwork) to the mentally debilitating Athazagoraphobia (the feeling that you've forgotten something important) and the downright bizarre Windigo Psychosis (the belief that you are a wild and ravenous monster), "The Paranoid's Pocket Guide to Mental Illnesses You Can Just Feel Coming On "is a fascinating compendium of psychological illnesses for all of us to fret and agonize over.
