

Emergent-Stem Correction for Thermometers in Creosote-Oil Distillation Flasks: Technological Papers of the Bureau of Standards, No. 49

By R. M. Wilhelm

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. In 1901 the National Bureau of Standards (NBS) was founded to provide standard weights and measures and to be the national physical laboratory for the United States of America. The NBS conducted a lot of research in the fields of science and technology which were reported as Technological Papers. In 1988 the NBS became what we know now; the National Institute of Standards and Technology (NIST). This is one of those documents written by employees of the NBS. This item ships from La Vergne, TN. Paperback.

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

-- **Imogene Bergstrom**

This type of publication is almost everything and taught me to hunting ahead plus more. It is written in easy terms rather than difficult to understand. Your way of life period will likely be transform once you comprehensive looking at this ebook.
