Wings Press, United States, 2012. Paperback. Book Condition: New. New.. 221 x 150 mm. Language: English . Brand New Book. Blending the personal with the political, these poems explore the deleterious effects of adversity and trauma on a global scale, focusing on such subjects as immigration laws, environmental degradation, multinational corporate greed, and the effects of war on women and children. The poet makes unexpected connections between disparate things, drawing from wild nature for imagery while also passionately engaging the reader to become aware of injustice and suffering at home and abroad. The poems are crafted using lyrical language that is at once precise, figurative, and celebratory, creating a collection that is humanitarian and emotionally resonate.
