

GRE Words in Context -- List 1 (Paperback)

Filesize: 3.12 MB

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest PDF for ever.

(Dr. Anya McKenzie)

GRE WORDS IN CONTEXT -- LIST 1 (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 255 x 205 mm. Language: English . Brand New Book ***** Print on Demand *****.What s in this Book? This book contains a Word List unlike any you have seen before. A traditional word list offers a vocabulary word, its dictionary definition, and a SINGLE use of the word in a sentence. That is simply not enough for a fully functional understanding of a word in all its complexities. Our Word List takes each vocabulary word through its paces, denoting its part of speech, synonyms for its various contexts, its descriptive meaning, and, most importantly, THREE (3) to FIVE (5) sentences using the word in its varied contexts. When appropriate, those varied contexts include both literal and figurative uses of the word. How will our Word List Help You Prepare for the GRE(r)? Performing well on the GRE(r) General Test, especially its Verbal Reasoning section, requires a strong working knowledge of the vocabulary that appears in the questions-how those words function both literally and figuratively, how their meanings vary based on context, and how (in many cases) they operate as more than one part of speech. The following is an example of a question type the GRE(r) refers to as Sentence Equivalence. The test-taker is instructed to select two (2) answer choices that, when used to complete the sentence, fit the meaning of the sentence as a whole and produce completed sentences that are alike in meaning. 1.The angry delegates no longer debated the matter with equipoise, and the that ensued prevented any further rational or intelligent discourse. A. finesse B. pandemonium C. pragmatist D. appellation E. maelstrom F. liaison To perform well on this test question, the test-taker must look beyond the more traditional use (i.e., dictionary definitions) of the vocabulary...
