Here Is A Preview Of What You ll Discover. in the Survivalist Warrior Basics 101: Basic Prepper And Survival Tips So the worst case scenario has happened. You are in a survival situation, where you must take care of yourself or someone else. And if you get injured, no medical help is coming and decided from your first aid kit and all its modern medical wonders (which you re going to need for the large problem such as broken bones) to not take care of some medical problems. Using nature s pharmacy, problems such as a bloody nose or blister or nausea, or even worse poison? Nature can help you take care of a lot of the problems that you would normally use brand-name over-the-counter pills in shiny white bottles to solve. (You should always and we do mean always seek proper training from a certified professional. Before attempting any herbal or natural remedies, because misuse could cause severe injury and even death, the information provided in these pages is designed to give you an overview of what is possible).
