UNEQUALLY YOKED: KEEPING YOUR JOY WHILE MARRIED TO AN UNBELIEVER (PAPERBACK)

Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book. A wife who does not feel appreciated, whose family overlooks her great value, is a pretty common occurrence. It often raises her defenses, causing her to point out the many small things she does for her family, or she complains when they don't help with the dozens of small jobs left to her. When I hear a woman complain about empty ice trays in the freezer (one of the things no one else in the family seems to care about), I figure she has a good marriage. Trivial inconveniences like ice trays don't bother women with real marriage problems. On the other hand, if you are concerned your husband chases women, lies to you, cheats people, or spends a lot of time with men of questionable character, you have a genuine concern. In Cheryl Munson's *Unequally Yoked: Keeping your Joy while Married to an Unbeliever*, she helps women overcome a fairly common problem that often goes untouched- conflicting religions within a relationship. Being married to someone with dissimilar beliefs can be a difficult proposition, but there is light at the end of the tunnel. In her book, Cheryl offers words of advice as well as plenty of personal testimony while utilizing and highlighting important lessons that wives can learn from God's Word.
